

Art. 745 #M# POLYPLAN Tent Light Matt

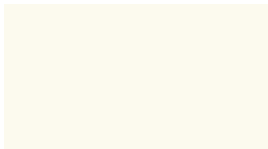

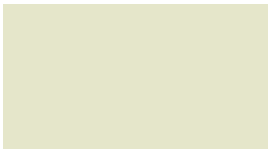

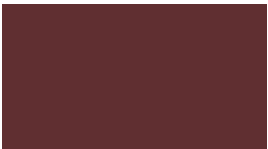

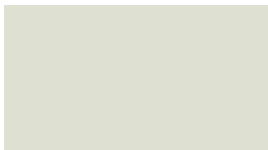

Polyplan Tent Light Matt acts as the missing link between tent membranes reduced to functionality and sun-shading fabrics focussed on aesthetics. Trendy colours and noble surface characteristics of this membrane allow it to be used with highest aesthetic expectations, whereas the technical performance of a highly-qualitative PVC-membrane "made in Austria" promises excellent protection from sun and rain.

Weight:	18.8 oz/sqyd
Width:	118.1 inch
length:	71 yard
Application:	Halls & Tents
Surface:	lacquered, matt
Properties:	flame-retardant, fungicide finish

- stylish colours with Mediterranean flair -> trendy colours for modern architectural textile elements
- matt surface sealing -> noble aesthetics for a pleasing ambience
- extensive FR-certifications -> usable in European as well as Anglo-American regions
