

Art. 605 POLYPLAN Splash Superior

Tarpaulin for swimming pool covers with relatively low weight and visually appealing surface. Easy to handle, beautiful design and absolutely functional! Base fabric made of high-strength polyester yarns, PVC-coated on both sides and with good resistance against chlorinated swimming pool water. The embossed surface gives this fabric a visually appealing look, while its relative light weight ensures easy handling.

Weight:	15.4 oz/sqyd
dimensions:	upon request
Application:	Swimming pool covers
Surface:	lacquered, special

- Customized properties suitable for the application -> good resistance against chlorinated swimming-pool water.
- Relatively lightweight fabric with a fine structured surface -> easy to handle with a visually appealing surface.
